## PROGRAMME

Warren Heath, Hampshire

Rider List &  
Final Instructions

# WELCOME

---

**W**elcome to The Classic Enduro, hosted by Witley and District Motor Cycle Club, Round One of the SEEC Timecard Enduro Championship.

Once again we are privileged to use the Warren Heath area in Hampshire and a huge thank you is due to the Forestry team for their cooperation and invaluable guidance in helping to make the event happen.

I would like to take this opportunity to remind competitors and other visitors of the need to respect all instructions given by the officials of the meeting. This venue is a valuable one and we do not want anything to put it at risk.

Our organising team have been hard at work, marking out a revised route through the forest. We hope that everyone – riders, officials and spectators – will have a really enjoyable day's sport.

## WHERE IT ALL BEGAN

Way back in 1921, a small band of motorcycle enthusiasts used to gather in the yard of Mullards the Builders in Witley. Without doubt, the friendship, the conversation and banter would have been much the same as when motorcyclists get together today.

Numbers slowly increased and a club was formed. By now, many wanted to take part in the Trials and Hill Climbs which were becoming very popular at the time, so the decision was made in 1924 to affiliate to the Auto Cycle Union, and be officially recognised as a Motorcycle Club.

As the number of clubs affiliated to the ACU grew, it was decided to break them down into regions, each region forming itself into a 'Centre'. The region consisting of Kent, Surrey and Sussex, together with the southern half of London, became the South East Centre and has remained so until this day. It was in 1926 that the Witley Club became affiliated to the ACU South East Centre.

Witley MCC has always played a major role, not only in our contribution to the management of the Centre, especially in the early days, but also in the quality of the events we have run and the competitors we have produced.

If you would like to join us, we meet at the Compton Club, Spiceall, Compton, near Guildford, Surrey GU3 1EQ (on the B3000 Godalming road, just off the A3) every Thursday evening from 8.00 pm.

At present our members organise and take part in all types of Trials, Enduros, road runs and social events.

## Spectator and Support Crew Safety Information

The safety of spectators and support crews attending enduros is our top priority. We therefore ask you to read the following which applies to any ACU Enduro event you may attend.

Please listen to the instructions of officials and marshals, they are there for your safety and we want to run the safest event possible.

### For your own safety and the safety of others:

- Respect marshals and follow their instructions.
- Don't walk on the route/live track.
- Where provided, use designated spectator areas.
- Do not stand too close to the track, particularly on the outside of corners and the landing areas of jumps.
- If a marshal asks you to move to a safer position, please comply with their instructions.
- Remain alert at all times, remember some motorcycles, particularly electric, may not make much noise when approaching.
- Always allow a margin for error. Expect the unexpected.
- If you have to cross a live track, pick a crossing point/safe spot with good visibility and only cross when it is safe to do so.
- Only officials, competitors and authorised helpers (pit crews) are allowed in service and refuelling areas. No bicycles, e-bikes and e-scooters to be ridden in these areas.
- Dogs must be kept on leads at all times.
- Remember that alcohol and drugs can impair your responses and threaten your safety.

**Spectators and support Crews who are asked to move but refuse to do so are putting their own safety and the safety of others at risk.**

**Where this happens, the Marshal has the authority to notify the Clerk of the Course, who will take appropriate actions to control the risk.**

**This may involve asking you to leave the event.**

## **WARNING • MOTOR SPORT CAN BE DANGEROUS**

Despite the organisers taking all reasonable precautions, unavoidable accidents can happen.

Please comply with all instructions of marshals and notices and remain in permitted areas only.

**They are concerned with your safety.**
