OFFICIAL PROGRAMME

WITLEY & DISTRICT MOTOR CYCLE CLUB – WHERE IT ALL BEGAN

Way back in 1921, a small band of motorcycle enthusiasts used to gather in the yard of Mullards the Builders in Witley. Without doubt, the friendship, the conversation and banter would have been much the same as when motorcyclists get together today.

Numbers slowly increased and a club was formed. By now, many wanted to take part in the Trials and Hill Climbs which were becoming very popular at the time, so the decision was made in 1924 to affiliate to the Auto Cycle Union, and be officially recognised as a Motorcycle Club.

As the number of clubs affiliated to the ACU grew, it was decided to break them down into regions, each region forming itself into a 'Centre'. The region consisting of Kent, Surrey and Sussex, together with the southern half of London, became the South East Centre and has remained so until this day. It was in 1926 that the Witley Club became affiliated to the ACU South East Centre.

Witley MCC has always played a major role, not only in our contribution to the management of the Centre, especially in the early days, but also in the quality of the events we have run and the competitors we have produced.

If you would like to join us, we meet at the Compton Club, Spiceall, Compton, near Guildford, Surrey GU3 1EQ (on the B3000 Godalming road, just off the A3) every Thursday evening from 8.00 pm.

At present our members organise and take part in all types of Trials, Enduros, road runs and social events.

Witley members at the 1949 Selborne Solo Trial

Witley MCC is a forward-looking Club and our aim is to promote all aspects of motorcycle sport and leisure in the 21st century, building on our long heritage of over 100 years of excellence in organisation and competition.

Off-road motorcycle sport gives riders of all abilities the opportunity to participate in a variety of exciting and enjoyable activities in a controlled environment, to compete at their own level and to meet other riders with the same interests. The main sporting disciplines currently followed by our members are Enduro and Observed Trials, but we also warmly welcome on-the-road motorcyclists – or anybody with an interest in any aspect of motorcycling.

Welcome to The (Day After) Boxing Day Scramble, hosted by Witley and District Motor Cycle Club, a special event in a traditional multi-session format, for all solo classes, inspired by our successful Centenary of Motocross / Scramble 100 event at Bagshot last year.

We are privileged to use the Cocks Hatch area of Down Farm near Odiham in Hampshire and a huge thank you is due to landowner Robert Benford, Esq. for his cooperation and invaluable assistance in helping to make this event happen.

I would like to take this opportunity to remind competitors and other visitors of the need to respect all instructions given by the Officials of the Meeting.

This venue is a valuable one and we do not want anything to put it at risk.

Our organising team have been hard at work, marking out a challenging but enjoyable route. We hope that everyone – riders, officials and spectators – will have a really excellent day's sport.

ADAM PEARSON Clerk of the Course

Held under a 'Special Event Permit' in accordance with the National Sporting Code of the Auto-Cycle Union, the Supplementary Regulations, and any Final Instructions that may be issued for the meeting. .
